Pitch

I discovered programming in high school and confirmed my interest for the web development through bootcamp and courses during the time I spent in France, where I studied Full-Stack web development. I've gained experience with React, Node.js, and other technologies within the TypeScript/JavaScript ecosystem. And I just want to learn more and ultimately get a degree, doing all that while improving my english in the process.

Skills

Technical Skills

TypeScript

JavaScript

React

Next.js

Angular

Vue

Nuxt.js

NodeJS

Express

NestJS

Prisma

MySQL

Teamwork

Autonomy

Adaptability

Meticulousness

Ability in English:

(Reading, writing and speaking)

Soft Skills

Projects

Video streaming platform: Streamia

TypeScript, Next.js, PrimeReact, Prisma
Media data handling

Furniture sales platform: Abyss

TypeScript, Angular, PrimeNG, NestJS, Prisma
API documentation with Swagger

Back-office for a waste collection association: Vacuum

TypeScript, Vue, PrimeVue, Express, Prisma
Clean architecture

List of surf spots around the world: Shaka

TypeScript, React Native, Expo, NestJS, Prisma
Mobile application development

Social network: Nihil

TypeScript, React, PrimeReact, Express, Prisma
Docker microservices and Nx monorepo setup

Cooking recipe platform: Chef It Up

TypeScript, Nuxt.js, PrimeVue, Prisma
ORM implementation

Miscellaneous

- Docker
- Hosting (Vercel, Render, AlwaysData)
- CI/CD (GitHub Actions, Husky)
- Project Planning (GitHub Projects, Jira)
- Mockups and Wireframing (Figma)
- Nx Monorepo

Hobbies

- NBA
- Marvel and DC Comics lore

Education

Web and Mobile Developer Training ADA Tech School, France	10/2024 - 06/2025
Web Development Bootcamp Wild Code School, France	10/2023 - 02/2024
Training in Computer Science Ynov Campus Nantes, France	09/2022 - 05/2023
Integrated Computer Science Preparatory Program CESI Toulouse, France	09/2021 - 05/2022
Embedded Electronics Training CESI Toulouse, France	09/2020 - 05/2021
Integrated Technological Preparatory Program CESI Saint-Nazaire, France	09/2019 - 05/2020
Scientific Preparatory Cycle LFBP Abidjan, Côte d'Ivoire	09/2017 - 07/2019
Scientific Baccalaureate Côte d'Ivoire	2017
